

**Every day, tons of shipments are targeted for additional screening.**

**Minimize wait time and keep your cargo moving!**

**For over 30 years, ICSC has led a public-private partnership advocating intermodal commerce and supply chain security.**

Member's sense of collective purpose and mutual assistance in fighting a common problem is a hallmark of ICSC's activity, manifested in both members' cooperation in individual cases and in their free exchange of expertise through ICSC's regular briefings and Cargo Theft Roundtables.

ICSC has a single agenda: assuring the safe and secure movement of global commerce.

**Learn more about ICSC and how you can help protect the supply chain.**
